ZOOMER

He's sleek, he's smooth, he's fast...he's "Zoomer," the little talking car that's ready to drive his way right into your heart.

Eight-year-old Billy found the best friend a boy could ever have in Zoomer and together they speed into high gear whenever there's adventure at hand or a friend in need.

Traveling the world with their other four-wheeled friends, Zoomer and Billy find thrills and excitement around every turn.

So jump right in and fasten your seatbelts. This little car really moves!
